UNIVERSITY TEACHING & ADMIN EXPERIENCE

Full-time Faculty, Department of Kinesiology & Health Science

August 2022 – present

LSUS | Shreveport, LA

- Instructed students at the undergraduate level in CEPH-accredited public health program
- Lectured and instructed four 3-credit classes in the spring and fall semesters online and face-to-face, assessing and grading 160 students with weekly quizzes, discussion boards, and practical and written examinations
- Designed the curriculum for seven courses, including: Global Health, Introduction to Epidemiology, Introduction to Public Health, Environmental Health, Public Health Theory and Education Methods, Program Planning, Advocacy and Community Engagement, and Freshman Seminar
- Advised 40 students in undergraduate public health program, tracking progress toward degree completion, completing substitution forms, holds, and degree checkouts
- Coordinated tours and meetings for students wishing to attend graduate school

Research Coordinator, Department of Medicine

April 2021 – May 2022

LSUHSC | Shreveport, LA

- Coordinated NIH Colorectal Cancer Research (CRC) in four rural FQHC's, enrolling patients in screening study and abiding by grant protocol
- Set-up and maintained database for COVID and CRC research in REDCap
- Coordinated staff training for four clinics to prepare them for participating FQHC clinics
- Practiced using skills in research development, informed consent, data collection, and developing and writing research abstracts
- Assisted with department summer intern program, including: organizing and assigning research projects and coordinating tours of local public health organizations for four interns

Academic Coordinator; Adjunct Instructor, Master of Public Health program July 2020 – April 2021
LSUS | Shreveport, LA

- Provided administrative support to the Dean of the College of Education & Human Development (CEHP), the Kinesiology Department Chair, the Public Health Program Director, and junior and senior faculty
- Located speakers and organized monthly seminars for MPH students including the LSUHS Director of Center for Brain Health and the Director of March of Dimes Shreveport
- Developed and managed new student orientation by assisting with developing training modules and programs
- Setup and maintained database, analyzed data, and generated periodic reports for CEPH accreditation
- Developed and taught Global Health and Sociology of Health for undergraduate Kinesiology and Health Science/ Sociology majors
- Manage and develop all MPH program social media accounts

Graduate Assistant, Master of Public Health program August 2018 – July 2020
LSUS/LSUHSC | Shreveport, LA

- Assisted MPH program director and students with administrative tasks such as meeting minutes, email drafting, organizing, and filing student records
- Assisted in coordinating and executing university-sponsored events, including monthly public health awareness meetings, posters, and functions
- Conducted research experiments and analyzed data for bike lane research for the City of Shreveport
- Worked with local nonprofits to conduct needs assessments, evaluations, and program implementation
